AuditForge Readiness

Diagnose before you automate.

THE QUESTION

"Is our organisation ready for AI, and where should we start?"

A structured diagnosis of the organisation before any AI project. The audit is the prescription, automation is the medicine.

What you get

- Interviews with business champions and the gap between leadership's view and the field
- Mapping of processes and friction points
- Value / difficulty matrix: justified quick wins and big bets
- Roadmap and KPIs tracked after the engagement
- Versioned, sealed FR/EN deliverables and a client validation portal

Who it's for
Executive leadership, CIOs, consulting firms

Frameworks
3-phase AI audit method
